Wow that's very
frightening I didn't
know you had such
reoccurring side
effects from COVID,
I'm so sorry. How are
you handling work,
do you get time
off to recuperate?
Is the company
compassionate?

Thanks dear, I'm
since five years
used to that, it takes
just time to new

I have now and then
a Covid flashback,
that each time hits
me quite bad, going
in with everytime
energy loss, like a
new covid attack,
this time quite
strong, take a time
to adjust to loss of
strength, otherwise
goes

Hope you have in
spite of winter som
thing going on to
